BOAT SALES
LAKELAND LEISURE ESTATES

Description

Eynsham is a well-presented 62ft cruiser stern narrowboat built in 2005 by J&T Boatbuilders of Crewe and professionally fitted out by Anglo Welsh during her previous life as a hire boat. She has since been thoughtfully refurbished to create a modern, comfortable and highly practical liveaboard or leisure cruising vessel.

Extensively upgraded in recent years, Eynsham benefits from a comprehensive interior refurbishment including a redesigned kitchen and bathroom, replacement of all internal wall linings, a full electrical rewire, a new inverter, and upgraded central heating system. A full external repaint was completed in 2025, ensuring she presents beautifully both inside and out.

The galley is bright and functional, equipped with a Thetford gas cooker and hob (installed in 2019), stainless steel sink with drainer, generous worktop space, and excellent storage throughout. A 12v Inlander fridge with ice box provides efficient onboard refrigeration for extended cruising.

The saloon and dinette area offers a spacious and flexible living environment, featuring large bench seating with storage beneath. The dining table includes interchangeable tops of different sizes, allowing the space to be easily adapted for dining, relaxing, or entertaining. Additional shelving provides useful storage for books and personal items.

Accommodation is well planned for families or guests, with two sleeping cabins. The forward cabin includes twin single beds with under-seat storage and can also be converted into a dining area using fitted table supports. The main bedroom features a fixed double bed with storage underneath, a wall-mounted TV, and two full-size wardrobes, along with additional freestanding space suitable for furniture such as a chair or chest of drawers.

The bathroom has been recently upgraded and includes a full-size shower enclosure (fitted in 2021), wash basin with storage underneath, and a domestic drop-through pump-out toilet.

With her extensive refurbishment, practical layout, and strong specification, Eynsham offers an excellent opportunity for anyone seeking a ready-to-go narrowboat for extended cruising or full-time life on the water.

Additional Specs
