Description

Welcome aboard Blackbird, a beautifully maintained 61ft semi-trad narrowboat designed for comfort and style. Perfectly blending modern conveniences with classic charm, Blackbird offers a delightful floating home experience, ideal for cruising the waterways or mooring up in your favourite spots.

The well-equipped galley is a culinary enthusiast's haven, featuring a gas hob, gas oven, and grill, perfect for preparing meals onboard. A 12V fridge with a freezer compartment ensures your ingredients stay fresh, while the sink with a mixer tap, renewed in 2021, adds a contemporary touch. Ample storage, including a wall-mounted unit, ensures your kitchen essentials are always within reach.

Step into the cosy lounge, where a two-seater sofa bed and freestanding seating invite relaxation. A fixed open shelving unit with a corner cupboard offers plenty of space for your belongings, while the solid fuel heater keeps the space warm and inviting. Enjoy entertainment on the Smart TV, and admire the artistic touches throughout the boat. Laminate flooring adds to the modern feel, and blinds on the windows offer privacy and control over natural light.

The dinette area features a double drop-leaf table, perfect for dining or working, easily stowed away when not in use, maximizing the living space.

The master bedroom is a serene retreat, featuring a king-size bed that conveniently folds down to a bench seat, with new foam and covers added in 2022. Two bedside storage cupboards, each with three drawers, along with two hanging wardrobes and two shelved wardrobes, offer ample storage. A radiator ensures warmth, and two above-bed wall lights create a cosy ambiance. Under-bed storage further maximizes space, making this room both functional and comfortable.

Refitted in August 2021, the bathroom offers modern conveniences with a Thetford Cassette toilet, complete with a spare cassette, and a domestic-sized shower. A corner sink unit with a cupboard provides practical storage, complemented by an above-sink storage unit and a mirror. The lino flooring, renewed in 2021, is durable and easy to clean, adding to the bathroom's fresh and contemporary feel.

Throughout Blackbird, a cohesive green colour scheme and carefully chosen artistic touches create a serene and inviting atmosphere. Every detail has been thoughtfully considered to make life onboard both comfortable and stylish. Whether you're looking for a full-time liveaboard or a weekend escape, Blackbird promises a delightful experience on the water.
