BOAT SALES
LAKELAND LEISURE ESTATES

Description

Ellie's Marbles is a beautifully presented 54ft 11" semi-traditional narrowboat, crafted on a renowned Reeves hull and professionally fitted out by Grantham Bridge Boats. Blending thoughtful layout design with reliable engineering, she offers the ideal combination of comfort, practicality and cruising versatility.

Stepping aboard from the semi-trad stern, you enter a compact boot room with wardrobe storage, leading into a cosy aft cabin featuring a fixed small double bed with useful under-bed storage and additional cupboard space.

A port-side bathroom follows, complete with a shower, vanity unit with basin, and a cassette toilet.

Moving forward, the split galley is intelligently arranged for efficiency and comfort. It includes wood worktops, a 4-ring gas hob, oven/grill, sink and drainer, fridge/freezer, tiled splashback, and ample cupboard storage.

At the bow, the boat opens into a bright and inviting forward saloon. Here you'll find a Morso Squirrel stove, wall-mounted TV, and a futon sofa—perfect for relaxing or entertaining.

Ellie's Marbles features a warm, homely interior with a smart blend of wood-faced and painted panels, enhanced by attractive hardwood framing and trim. Flooring consists of wood-effect laminate throughout the living areas and wipe-clean vinyl in the bathroom for easy maintenance.

Powered by a well-maintained Beta Marine 38hp, 4-cylinder engine paired with a PRM 150D2 gearbox, this boat offers smooth handling and dependable cruising. The hull is in sound condition, making her ready for adventure.

Equipped with shoreline hook-up, solar panels, and a 2kW Victron inverter, Ellie's Marbles adapts perfectly to life both in marinas and out on the cut—ideal for extended cruising or comfortable long-term stays.

Ellie's Marbles is a versatile all-rounder—ideal for anyone seeking a well-built, thoughtfully laid-out boat for exploring the waterways or settling into comfortable marina life. With quality craftsmanship, solid systems, and charming interior features, she's ready to welcome her next owner aboard.
