BOAT SALES
LAKELAND LEISURE ESTATES

Description

Mudskipper is a beautifully maintained 42ft cruiser stern narrowboat, built in 2004 by the reputable M G Narrowboats. With a thoughtful layout that sleeps four and a tasteful internal refit completed in 2021, this boat is the perfect blend of charm, comfort, and practicality—ideal for weekend adventures or extended cruising.

Externally, Mudskipper is in excellent condition and features both a pram cover over the cruiser stern and a cratch cover at the bow, providing sheltered outdoor spaces and protection from the elements. The exterior presents well with clean lines and a cared-for finish, reflecting the pride and attention given by her previous owners.

Stepping inside from the stern, you'll find a well-appointed bathroom equipped with a ceramic wash basin, a good-sized shower, an immersion heater for reliable hot water, and a cassette toilet complete with a spare cassette. The space is clean, functional, and designed for convenience during life on the move.

Moving forward, the Pullman-style dinette offers a cosy spot for dining or relaxing with friends. This area cleverly converts into a comfortable double bed and includes generous storage beneath both seats—perfect for keeping bedding or personal items tucked away.

The galley is fully equipped for life aboard, featuring a stainless steel sink and drainer, a full-size gas cooker, a fridge, a microwave, and all necessary utensils. Whether you're preparing a quick snack or cooking a hearty meal, you'll have everything you need at your fingertips.

At the front of the boat, the saloon is a warm and inviting space. Two generous bench seats can be used as single beds and offer ample storage beneath. A beautifully handmade oval table adds a touch of craftsmanship to the space, and the upholstery throughout is in excellent condition. It's a peaceful, light-filled area—perfect for reading, dining, or simply watching the world float by.

With its smart layout, stylish refit, and lovingly cared-for interior, Mudskipper is an excellent choice for anyone looking to step aboard a narrowboat that's ready to enjoy. Whether you're a seasoned boater or new to life on the water, this charming vessel offers everything you need to cruise in comfort and style.
