Description

Skylark is a beautifully refreshed 34ft cruiser stern narrowboat, originally built in 1990 and recently benefiting from a complete internal refit in March 2026, along with external paintwork. Compact yet thoughtfully designed, she presents an excellent opportunity for those seeking a stylish and manageable boat, ideal for weekend cruising, holiday use, or a cosy liveaboard.

With a practical layout running from stern to bow—bedroom, wet room, galley, and open-plan lounge—Skylark makes excellent use of her space while maintaining a bright and **????????** feel throughout. The recent refurbishment has given the interior a fresh, modern finish, making her ready to step aboard and enjoy immediately.

The galley features a newly fitted kitchen complete with oven, gas water heater, microwave, and fridge, offering everything needed for comfortable onboard living. Moving forward, the open-plan lounge provides a welcoming space to relax, with a two-seater sofa bed allowing for additional sleeping capacity when needed.

The bedroom is fitted with a brand new double bed and mattress, complemented by generous under-bed storage, creating a practical yet comfortable retreat. The newly installed wet room includes a shower, sink, and cassette toilet, finished to a clean and contemporary standard.

Overall, Skylark is a smart and compact narrowboat that has been thoughtfully modernised throughout. Perfect for first-time buyers or those looking to downsize, she offers low-maintenance boating with all the benefits of a recent refit—simply step aboard and start your journey on the water.
