BOAT SALES

LAKELAND LEISURE ESTATES

Description

Timothy is a charming 36ft traditional stern narrowboat built in 1988, offering an ideal opportunity for first-time boaters, weekend cruisers, or those seeking a simple and cosy life on the water. With her traditional stern design and practical interior layout, she provides comfortable accommodation full of character, while still offering plenty of potential for personal touches and improvements.

Built by M& N Narrowboats, Timothy has a straightforward and functional layout designed to make the most of her space. Entering from the stern, you'll find a flexible bedroom area with a fold-down double berth, providing comfortable sleeping accommodation without compromising daytime living space.

The bathroom is equipped with a shower, porta potti cassette toilet, wash basin, mirror, and storage cabinet, along with a Morco hot water heater supplying hot water onboard.

Moving forward, the compact galley is practical and well-equipped for everyday cruising, featuring a Thetford Voyager 4500 cooker with 2-burner gas hob, stainless steel sink and drainer, Shoreline fridge, microwave, and useful storage space.

The cosy saloon at the bow offers a welcoming place to relax, complete with two captain's chairs, a TV, and a solid fuel stove, creating a warm and comfortable atmosphere throughout the seasons.
