BOAT SALES

LAKELAND LEISURE ESTATES

Description

Violanthe is a 56' Wide Beam boat currently moored at Caen Hill Marina, Devizes. She was purchased largely complete from the original builder, who retired before finishing, and is now looking for a new owner. The boat comes with both pram and cratch covers and offers practical accommodation with a generous amount of storage.

The saloon is spacious and includes a wood-burning stove and seating arranged for everyday use. The U-shaped galley is equipped with a gas cooker, fridge, sink, and storage, with room for additional appliances. The adjacent dinette features an oak folding barley-leg table with four chairs.

The bedroom contains a large bed with storage below, a wardrobe, and bedside tables. The bathroom includes a bath and washbasin with under-bowl storage; the toilet is currently non-operational and will need replacement.

Powered by a 55hp Volvo Penta Diesel engine, the boat has an inspection hatch at the rear. Electrical systems include a 2500w Sterling inverter and two new starter batteries. Spray foam insulation keeps the cabin comfortable, and the internal height is 6'6". There is a side hatch on the port side.

Boat Safety Certificate: BSSER-451633/23 (Expires 12.02.27).

Violanthe provides a practical layout with ample space and storage, suitable for someone looking for a wide beam cruiser with scope for maintenance and personalisation.
